ABOUT THE CONFERENCE

The conference Addressing the Multidisciplinary Approach to the Drug Dilemma: Understanding Drugs and Envisioning a Drug-Free Future highlights the importance of collaboration in addressing drug-related issues. It brings together professionals from healthcare, education, law enforcement, social sciences, and policy-making to share knowledge and perspectives.

Through discussions and expert insights, the conference aims to enhance understanding of the causes and impacts of drug use while promoting effective prevention, intervention, and rehabilitation strategies. The event envisions collective action toward building healthier communities and achieving a drug-free future.

ABOUT THE INSTITUTE

Seth Hirachand Mutha Shaikshanik Trust was established in the year 2002. With the missionary Zeal of providing the facility of higher education to the students in Kalyan and villages in the periphery. The institute is affiliated to the University of Mumbai, Maharashtra. The institute underwent assessment by NAAC & is Re-accredited with 'B' grade. The Institution is committed to provide affordable quality education with the changing demand of time with excellent amenities like Laboratory, Computer lab, Conference room, Gymnasium & Library with E technology spacious and airy lecture halls. The Institute is imparting higher education in the fields of Arts (Economics & History), Science (BSc Chemistry, CS & IT) And Commerce (BCOM, BMS, B.Com Accounting and Finance, B.com Banking and insurance, BAMMC) Catering to the diverse needs of the present youth.
